CASA Contacting Guest

CASA will communicate with guest using the email address and mobile phone number on file. Please provide CASA current correct email and phone number. If contact information is updated, guest to advise CASA.

Application of Rates

- Suites rates are per apartment, not per guest. For additional guests (beyond stated number of guests for the apartment type), however, CASA charges an additional fee per guest.
- Weekly prices are charged Saturday-to-Saturday or Sunday-to-Sunday.
- Extra night prices will apply for any arrival/departure during the week.
- For weekly rates the minimum stay is 4 weeks.
- For periods shorter than 4 weeks, extra night fees are applied.
- If the number of extra nights is higher than 3, then the entire week will be charged but the booking will be done just with the requested dates.

Payments

- Once invoice is sent, accommodation is reserved and all cancellation, extension and change of date penalties will apply.
- All invoices must be paid in full and 4 weeks prior to check-in date.
- For guests staying longer than 8 weeks, minimum payment of 8 weeks is required.
- If the stay is longer than 8 weeks and guest wants to split invoices into 8-week intervals, they must contact CASA Finance to make the request. If guest decides to split payment they must provide either post-dated cheques or credit card authorization correspondent to each payment for the entire duration of stay. Guest will have the option of paying in cash or debit as long as they contact CASA and pay before the invoice's due date.
- All payments are due 4 weeks in advance, otherwise a 1% per day late payment fee will apply.
- Payments may be made through credit card or wire transfer. Please add 4% for payments with credit card and \$25.00 for wire transfers. If in Canada or Toronto, guest will be able to direct deposit into CASA account or utilize e-transfers.
- It is the guest's responsibility to ensure the payment is received on time. CASA is not responsible for credit cards or wire transfers processing delays. If payment not **received** by CASA by due date, expect delays in processing, and accommodation cannot be guaranteed.
- If guest has split payments, payment is due 4 weeks before end of subsequent period.

A Security Deposit of \$500¹ is required by credit card at registration. Security Deposit will be credited back upon satisfactory inspection within 5 business days following check-out. The refund can only be returned to the same credit card number originally used. Airport pick-up and drop-off is available for extra cost. If pick-up and drop-off is purchased together it is offered at a combined reduced price. If purchased separately, the discount does not apply. If two or more guests are travelling together, individual rates still apply.

Change of Date

If the guest requires a change of date **prior to arrival**, the guest needs to advise CASA in writing as soon as possible. The timing of when CASA receives the written notice determines if/what penalties occur.

- Early check-in can be arranged ahead of time, depending on availability. The earliest time is 8 am. Check-in is not permitted after 9 pm.

Extensions After Arrival

CASA strongly advises guests to book their stay for the entire length of their trip to avoid disappointment regarding lack of availability, and **to avoid additional charges.**

If, however, after arrival, the guest decides they would like to stay longer than booked, the guest must email the CASA Accommodation Coordinator as soon as possible to advise of the exact new dates. CASA will check availability. If there is availability, CASA will send guest an invoice. **Once invoice issued, all cancellation charge policies are applicable. Confirmation of extension is only once payment received and processed. Extension only guaranteed when CASA sends confirmation notice.** If extension is requested more than 4 weeks in advance of extension, payment must be received 4 weeks in advance of extension. If extension is requested less than 4 weeks in advance of extension, payment must be received within 24 hours from date of invoice. If payment is not received by date on invoice, or processing not successful, availability can no longer be guaranteed.

The guest may be asked to move to a different room or unit or building to accommodate request. All policies and guidelines remain in effect. A late extension fee will be charged for every extension requested after two weeks of arrival or starting period of accommodation. To avoid this charge, confirm extension within 14 days of start date.

Formal Written Request Received	Penalty Charge
Within 2 weeks of start date	No charge
After 2 weeks of start date	\$100' late extension fee/extension request

If guest paid for extra nights equivalent to full week rate and advises intent to stay for the week paid rather than the nights booked, there is no extension fee payable. This only applies if guest advises CASA in writing within first 2 weeks of arrival and there is availability. This is non-transferable and non-assignable. If CASA is not advised in first 2 weeks, check-out date is considered as booked, and late extension fee will apply for any extension.
